AT A GLANCE

Challenges

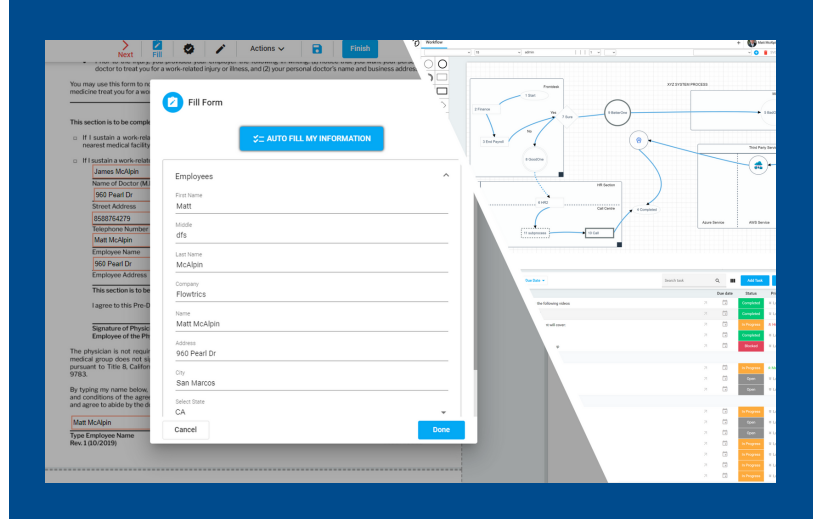

- Mobile IV Nurses manages over a thousand nursing contractors to deliver liquid IVs to customers
- Overcoming Document Challenges for New Contractors/Employees
- Preventing Current Clients from leaving to other Systems
- Managing workflows needed for current contractors
- Compliance Issues

"Since implementing Flowtrics, we've seen remarkable improvements. Our onboarding timelines have shortened, and our administration team and management team spend less time doing manual tasks. Not only have we experienced major cost savings, but the overall productivity of our teams has also seen a substantial boost." - Kayle Tabullo
